OF
CREE**

REPEAT AFTER ME**

Thank you for purchasing our 52 weeks of Cree book. The words we are sharing are from our area and we realize some areas may say the words slightly different.

The best use of this book is to take each lesson and learn it thoroughly before moving on to the next lesson.

We hope to one day have a fluent conversation with you in the Cree language.

We hope you enjoyed our 52 weeks of Cree book.

This has been a project full of love for our Cree language. Keep practicing these words and phrases again and again, until you can say them without my help or the help of this book.

If you want to learn from me even further, subscribe to our website www.repeataftermecree.com

There I will be hosting “Live” lessons each month.

If you want more, consider getting my USB stick with over 100 Cree Videos by scanning this QR code just below:

Thanks again for being a student of Repeat After Me Cree.

This is volume one. We are currently working on volume two of this program as you advance into longer phrases and conversational Cree.

Talk soon,

Julia Ouellete :)
